When I was a child of seven I was beginning to wonder about the universe, the origin of things, and what would happen to us when our bodies were claimed by nature. I thought of the universe as a kind of clock, with us living on its cogs and wheels. I saw our world as the small portion of the universe occupied by humanity. I thought it was completely obvious how all these great wheels turned, and knew I'd be here to see it happen on Sunday. I remember that Sunday vividly. I don't recall having any doubts. I have no idea why I was under the impression that we had all the time in the world to see it. I know I didn't know the definition of the word "Wednesday." Watching the Sunday sermon coming toward, it felt like there wasn't a moment to spare. It was the very last Sunday of summer vacation, and many of my classmates were very upset. Among them, I recall, was a twelve-year-old girl. By the time I reached the end of the Sunday sermon there was so much and so little to take away. Sunlight and darkness, seasons and flowers, what to do with the days and nights were all given a confused explanation. There was reason to hope, and there was a lot of it, though it wasn't at all clear to me just how much. The only thing that kept me focusing was my awareness that everyone was about to

What's new in Elden Ring:

Accessories

The equipment and spells that you can use in the game can be switched freely.

CLASSES

The world of the Lands Between has both classes and races, and the respective classes and races have different specifications and characteristics. It is said that there are a variety of races between the humans and the undead, and the most powerful races live in the Highlands.

You can create characters with the many races that are scattered around the Lands Between. In addition, races do not interfere with the interaction between each other, but they have differences in their abilities and physical characteristics. You can freely assign a race to each one of your characters.

CLASSES

You can choose from the 50 classes, including Paladin, Archer, Swordmaster and Mage and many others, and form a party. Which party is the strongest is decided based on the character system, and the more you level up, the more skills and abilities that you can add. Each class has its own characteristics, and thus has its own purpose in party battle.

Equipment Items

Throughout the Lands Between, you'll find items which differ in several aspects. As a result, you can prepare yourself for different situations. For example, don't prepare for the party battle if you'll fight as a swordmaster, as your weapons and armor will be totally different from your companions. Equip items that suit your situation and convenience to improve your skills and stats more.

Equipment Items

Ultimate 5-star items are quite rare in the game, and becoming one of them is no small task. To become a ten-mana equipment will be useful, but to obtain a five-star item is truly a big challenge. Therefore, you should equip equipment that is stronger than your current equipment to increase your stats, and strive to acquire items that help you survive in the battle.
