If you have any other trouble. Greetings, I have a question regarding "fault" with a website. I'm unsure where to post this, but its interesting. After initially trying to contact the dealership, I received a reply from them that they could not do anything about the vehicle. However, a week later I receive a 3 page email full of "I can help" ranting. The email has someone (name unknown) and the email is sent to my entire address book. I'm concerned about the integrity of the vehicle, but am unsure what I should do about it. I received the email 4 days after purchase. Any advice on where to

post this? I've tried both the dealership and the manufacturer, but have not received a response as yet.Q: React: How to pass a function as a prop? I'm trying to pass a function as a prop to a 6d1f23a050
